OFFICE OF PETITIONS

ON PETITION

In re Application of :
Agarwalla, et al. :
Application No. 10/034,772 :
Filed: December 19, 2001 :
Attorney Docket No. AUS920010795US1 :
For: METHOD AND SYSTEM FOR
FRAGMENT LINKING AND FRAGMENT
CACHING

This is a decision on the petition under 37 CFR 1.137(b), filed February 2, 2007, to revive the above-identified application.

The petition under 37 CFR 1.137(b) is **GRANTED**.

This application became abandoned for failure to timely reply to the Restriction Requirement, mailed June 9, 2005, which set a one month shortened statutory period for reply. No extensions of time having been obtained pursuant to 37 CFR 1.136(a) and no reply being received in the Office, this application became abandoned on July 10, 2005. A Notice of Abandonment was mailed on February 27, 2006.

Applicants have submitted a proper reply to the Restriction Requirement in the form of an election, an acceptable statement of the unintentional nature of the delay in responding to the Restriction Requirement, and the \$1,500.00 petition fee. Accordingly, the petition under 37 CFR 1.137(b) is granted.

The statement of unintentional delay was not signed by a person who would have been in a position of knowing that the delay in filing a timely response was unintentional. In the event that practitioner has no knowledge that the delay was in fact unintentional, practitioner should make a reasonable inquiry to ascertain that, in fact, the delay was unintentional. If practitioner discovers that the delay was intentional, practitioner must so notify the Office.

The change of correspondence address filed with the present petition will not be entered because it is signed by an attorney who appears to never have been empowered to prosecute this application. A courtesy copy of this decision will be mailed the address listed on the petition.

After the mailing of this decision, the file will be returned to Technology Center AU 2155 for consideration of the election filed on February 2, 2007.

Telephone inquiries concerning this matter may be directed to the undersigned at (571) 272-3230.
